Kanchoco, Supersun, and Brugge are chocolate & confectionaries brands of OFC Foods and Confectionery Pvt. Ltd. established in 2007. The Company was born out of the vision of our MD Shabbir Kanorewala to make chocolates accessible to all classes.

*For the love of Chocolate! we are on a journey to make chocolate accessible for all!*

From the early times, OFC kept quality as its center point along with new innovative flavours, textures, and variants which made Kanchoco Brand known. Our chocolates are famous for the center-filled variants fillings and cream. The Flavours are made to suit the taste palette across India and our export markets. Shabbir Kanorewala added innovation, uniqueness, richness, taste, and most importantly his experience of being a chocolatier. His experience of running the Brugge chocolate shop which made hand-crafted premium chocolates with Belgium-based ingredients alongside he also ran the franchisee of Monginis Cake factory of Pune which gave him the balance needed when focusing on volumes and variety in chocolates and keeping them affordable. This unique experience and balance gave us the edge in production of our affordable Kanchoco chocolates which were always something new and memorable and are recognised for their taste along with great packaging.

Our chocolates are manufactured using exceptional quality ingredients in our state-of-the-art European machine set-up. In an ever-evolving, competitive world of chocolate confectioneries, Our focus on development allows us to convert our customer's needs into reality. Our experience and innovation along with our quality and pricing have helped us with newer and evolving markets.

*Everything is good if it's made of Chocolate*
